

Rosedale's **Little Leadership Academy**
Group Family Day Care

Media Release

Dear Parent or Guardian:

Little Leadership Academy is an educational institution designed to provide children a superior education at an affordable cost. As a result, we rely upon generous contributions from the private sector to enhance the daily operation of our program.

Public relations is a vital part of telling the LLA story to the public so that we can solicit and secure the needed resources. This involves promotion through the news media, publications, brochures, and other printed media. It is therefore likely that your child will appear in photos that are taken here at the school.

Please sign the bottom of this letter granting your permission to use your child's likeness in our printed materials and publications that are used to tell others about our school.

Thank you for your attention to this important matter.

Sincerely,

Robert Young Sr.

I hereby give my permission for photos of my child, _____,
to appear in printed material, publications, and related efforts to tell others about LLA.
